## OPENING ACT

2018 CHARDONNAY

**OPENING ACT** THE FIRST BAND TO TAKE THE STAGE. BIEN NACIDO AND BIDDLE RANCH ARE TWO OLD AND GREAT VINEYARD SITES ON THE CENTRAL COAST. KNOWN FOR GROWING CONSISTENTLY HIGH QUALITY FRUIT, THEY HAVE BOTH BECOME STARS. DON'T BE LATE TO THE SHOW.

**TIMBRE** is the “color” of music. It is what makes two voices sound different, even when singing the same song. It is why two winemakers, working with the same vineyards, make unique wine. As a terroir-driven winery, we make wines expressive of the places and times from which they came. As winemakers, we channel those sites through our experience, adding our own mark—our TIMBRE—to the resulting wines.

Founded by Joshua Klapper, TIMBRE WINERY is the culmination of years of hard work, and dedication to our craft. It is winemaking expressed through the universal language of musical sound.

### AVA AND VINTAGE NOTES

2018 was a great year for Chardonnay on the Central Coast. Healthy rains and even weather throughout the year led to ideal harvest conditions. Picked at the peak of freshness and barrel fermenting an aging produced a stunner of a wine!

### TASTING NOTES

Pale straw with rays of sunshine and summer weather... this wine is floral and rich with green apple, popcorn, and a long, clean finish.
