WINERY

THE JAM

2018 GRENACHE

THE JAM IT'S THAT TUNE THAT YOU ARE SERIOUSLY INTO. IT'S ALSO THAT GRENACHE THAT MAKES YOUR TASTE BUDS TICKLE, RAISES YOUR STROKE TO ELEVEN, AND MAKES YOU WANT TO GET OUT OF YOUR SEAT AND MOVE!

TIMBRE is the “color” of music. It is what makes two voices sound different, even when singing the same song. It is why two winemakers, working with the same vineyards, make unique wine. As a terroir-driven winery, we make wines expressive of the places and times from which they came. As winemakers, we channel those sites through our experience, adding our own mark—our TIMBRE—to the resulting wines.

Founded by Joshua Klapper, TIMBRE WINERY is the culmination of years of hard work, and dedication to our craft. It is winemaking expressed through the universal language of musical sound.

AVA AND VINTAGE NOTES

New to our line-up, Morro View is an absolutely beautiful vineyard site, and a very happy place for vines to grow. Located in the hills to the north of the Edna Valley floor well drained soils, a cool and temperate climate, and meticulous farming yields small amounts of complex and concentrated Grenache, perfectly suited for our first ever wine made from entirely this variety.

TASTING NOTES

Very dark red this wine smells like Hawaiian punch and grape soda. While the wine itself is dry, the fruitiness makes the wine reminiscent of sweet plums, sour patch kids, and candied pears leading to a long creamy finish.
